## QUADRA DUO

Steel &amp; Marble grey clouds / Travertine polished / Marble wild white

# Wood & Pellets perfectly *combined!*

The elegant blend of stone and steel panelling featuring a novel wooden handle make the Quadra Duo an innovative design object. You love the romantic crackling of logs but still appreciate the convenience and cleanliness of pellet firing - both are perfectly combined here.

Options such as smart control or the air distribution module (allowing rooms to be heated at the same time) are a sound investment in conserving energy for the future!

## ORDER INFORMATION: QUADRA DUO

- 818001 Basic appliance
- 818003-29 Steel panelling
- 818002-200 Stone panelling, Travertin polished
- 818002-201 Stone panelling, Marble grey clouds
- 818002-202 Stone panelling, Marble wild white

## TECHNICAL DATA: : QUADRA DUO

Dimensions h x w x d	1039x810x435 mm
Weight without cladding	218 kg / 293,5 kg
Weight with travertine / marble cladding	256 kg / 260 kg
Flue pipe outlet	ø 130 mm
Outside air connection	ø 125 mm

## OUTPUT

Min/max heat output	Undergoing testing
Energy efficiency class	Undergoing testing
Room-heating capacity	Undergoing testing
Pellet hopper	Undergoing testing
Efficiency rate	Undergoing testing

## FITTINGS

Room temperature sensor	As standard
(Weekly) Timer	As standard
Automatic tilting grate	As standard
WLAN / WIFI	Accessories
Remote control	Accessories
Smart Spot	Accessories
Air distribution module	Accessories
