

as per Regulation (EC) / 2015/1186

Model Mo Duo Cook
Manufacturer Austroflamm GmbH
Austroflamm-Platz 1
A-4631 Krenglbach

Energy efficiency class	A+
Direct heat output [kW]	9.4
Energy efficiency index	119
Efficiency / thermal efficiency / fuel energy efficiency at nominal heat efficiency [%]	90

Note

Fire protection- and safety distances from flammable building materials must be complied with! Sufficient combustion air must always be capable of flowing into the fireplace. Air extraction systems may disrupt the supply of combustion air!
